§2–135.

- (a) There is a nonresident winery permit.
- (b) The Comptroller may issue the permit to a person that:
 - (1) is licensed outside the State to engage in the manufacture of wine;
- (2) produces not more than 27,500 gallons of its own wine annually; and
- (3) does not hold a nonresident dealer's permit under $\S 2-124$ of this subtitle.
- (c) The permit authorizes the holder to sell and deliver its own wine from a location outside the State to a holder of a permit or retail license in the State authorized to acquire the wine.
- (d) The permit holder shall comply with requirements that apply to a holder of a Class 6 limited wine wholesaler's license under:
 - (1) this article;
 - (2) the Tax General Article; and
 - (3) the regulations of the Comptroller.
 - (e) The permit fee is \$50.
